

Online ZOOM Video Conference Rooms Available as an OPTION During Coronavirus Restrictions

Type jxnfob.com in your browser’s address bar (do not use search) or use the direct links below.

Select ‘Online Meeting Rooms’ from the left navigation bar and choose the appropriate meeting room for the time, each room can accommodate 100 participants.

There is no need for a ‘host’ in the meeting room, just join and you should be connected. Video and Audio are enabled by default when joining.

Questions and Answers

Who is chairing these? No one is assigned to chair, this is intended as an alternate room for members to use as they wish during the health emergency. It can be used for formal meetings or simply for socializing and chat, the group conscience of those that join should prevail.

Must I load the ZOOM app? No, you can use the "Join from your browser" link but functionality is a bit more limited.

Can I turn off the Audio/Video? Yes, use the toolbar to turn video on/off. It is ON by default when joining. If there is a lot of background noise in your location, it is suggested you MUTE.

What is ZOOM? Zoom is an online conferencing application that is extensively used by businesses for virtual meetings. It is proven and secure.

Does this cost me anything? No.

Can I use my phone? Yes, you will need to download the ZOOM Cloud Meeting app.

How can I get help? There are tutorials on the ZOOM site at support.zoom.us or Google "Zoom Help". There is a link to ZOOM support on the Room Link page of the site.
