

We need your help!

Planning for the 2026 Michigan State Convention is underway. Central Michigan Intra-Area 32 (that's us!), will be hosting the event. The convention is set to take place August 7-9, 2026 at the Comfort Inn and Suites located in Mt. Pleasant.

This weekend is filled with panel discussions, AA service committee displays, archives, and keynote speakers.

Planning is also underway for the 2026 Michigan Mock Conference which will be held March 28, 2026 at the First United Methodist Church in Mt. Pleasant. This mock conference helps to prepare and inform the delegates from Area 32, 33, 34 of the group conscious of members in our area with regards to proposed agenda items at the annual General Service Conference held each year in New York.

We need volunteers to help with the many aspects needed to support these events. The only experience needed is the willingness, and desire to help extend the hand of AA to those in need. We will help you in any way possible to support you in any role you may assume. These events do not plan themselves and need volunteers. The planning meetings are held on zoom and are as follows:

2026 Michigan State Convention planning committee takes place on the second Saturday of the month at 9:00am.

2026 Michigan Mock Conference planning committee takes place on the third Saturday of each month beginning at 9:00am.

Login information for the zoom meetings are the same.

Zoom code: 681 637 6015

Passcode: Page21

Any questions, please feel free to reach out to me, or just show up to the next planning meeting. Thank you for your service!
