Head to your Home Groups business meeting this month, step out of your comfort zone, and be a part of the process that helps keep the doors open for the next newcomer that walks through.

SACRIFICE = UNITY = SURVIVAL

The unity, the effectiveness, and even the survival of A.A. will always depend upon our continued willingness to give up some of our personal ambitions and desires for the common safety and welfare. Just as sacrifice means survival for the individual alcoholic, so does sacrifice mean unity and survival for the group and for A.A.'s entire Fellowship.

Chuckle from Cary P.

"This program doesn't work! I was confused about a problem I was having so I brought it to a meeting. They said 'Easy does it'. So I waited and waited and waited. "Nobody named 'Easy' ever showed up to fix my problem! I eventually got so irritated that I just did the work myself!"
